

Summer 2016

Frankfort

Community Federal Credit Union

Real Time is here!

This spring, we completed our much anticipated project of transitioning to **Real Time ATM & Home Banking.** The move from

batch to Real Time means that deposits into your account can be used on your debit card immediately, debit card transactions can be monitored via home banking as they go through, and transfers between accounts happen NOW!

The upgrade, from which members are already seeing the benefits, was passed by the board in 2015 to provide better service to the membership. **To take advantage of Real Time ATM & Home Banking, log onto frankfortcu.org or contact the credit union.**

Credit Union welcomes new management

Late this winter, the Board of Directors appointed then-Assistant Manager **Jeffery Sandman** to take over as Manager/Treasurer of the Credit Union. Jeff started at the Credit Union in May of 2014 after serving on the board for about four years. He holds an MA and a BS from Central Michigan University.

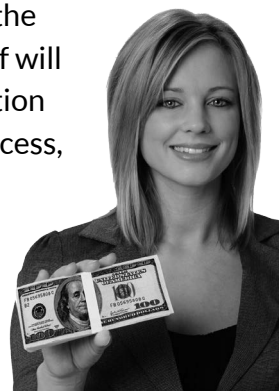

Filling the Assistant Manager position is **Dane Colby**. Dane started at the Credit Union in October of 2015 as a teller. He holds a BA in Economics and Environmental Studies from the University of Michigan. Both Jeff and Dane are FHS grads.

These moves allowed for former longtime employee **Nancy Kjergaard** to return as Senior Member Service Representative. They are all joined by "The Connies" – **Connie Toms** and **Connie Erickson** out front.
